1. Unbject is the son of Ibrahir DEVA a marchingt of the borninh of Hitro-richs, Koseva.

2. Prior to world war II, Subject completed his training in commoning in Germany.

3. DEVA, who was a great Gomen partisan, collapprated with the Gomens after they occupied Yugoslavia, and, after the collappeoof Pasciss (in Yugoslavia?), while the Comen Army was occupied alberta, he was brought into the Linistry of Interior in the newly created poversees at terms behest. Furing the period that he resulted in this linistry he did a great deal of work against the Communists, and even, on his can responsibility, had 76 Communists in one day in the period of Tiran and caused their sempons to be left in the streets for days, lowever, because he, bisself, was completely a stranger to Albania, he could not possibly understand the mentality of the results. I scause of this when he and Leight Missibili, who we at the king's lentonant at test time, had a steunderstanding, he was willdrawn from the cluistry of interior.

A. On roturning to Kosova, he cohered torether a betallion called the Iskender bey Division and composed completely of satives of Acetva for the purpose of saling the Dermans. Much the Germans retreated, this batallion fatigued the Bulgarians very much and inflicted great consulties.

5. DEVA reprorted from Kosova with the Germans and went to Italy via Viena. The Allies marched for him at first because of his war guilt, and he conceals himself in Italy for a time. Subsequently reins to Syria and from there to Egypt he repursed to Rose after conferring with juny 2006.

6. At present, not being included in the Albanian Hational Counties in Italy, he to working as president of the organization called the Microsof Prizers Federal
